Good afternoon families of Father Leonard Van Tighem School,

We wanted to apprise you of an incident that took place outside of our school today, September 6, 2022.

This afternoon some of our older students found replicas of weapons hidden around the pond adjacent to the school. They acted quickly to inform staff, and the Lethbridge Police were contacted immediately. The police have done a thorough search of the area, cleaning all debris, and do not believe that the material found is related to our school or students.

While our students remained completely safe throughout the day, we are so thankful to the quick actions of these older students, our staff, as well as the Lethbridge Police, who unquestionably supported our school and community.

Sincerely,

Greg Kostiuk
Principal
